TERMS AND CONDITIONS OF SALE

Except as otherwise agreed in writing, the following terms and conditions apply to all orders received and all services, articles, materials, goods or other products (collectively “Products”) sold or provided by OK International, Inc. and its related entities (collectively the “Company”) to you (“you” or “Customer”).

All orders placed for Products furnished by Company to Customer are subject to the terms and conditions set forth herein (the “Terms”), the warranty incorporated by reference in Section 7 of these Terms (the “Warranty”) the written order acknowledgment from Company accepting the Customer’s written order for the Products (the “Acknowledgment”), and any confidentiality and/or nondisclosure agreement executed between Company and Customer (the “NDA”). These Terms, the Warranty, the Acknowledgment, and the NDA are hereafter collectively referred to as the “Contract,” whether or not specifically referred to. If any provision in the Acknowledgment is inconsistent with these Terms, the provision of the Acknowledgment shall govern. If your order has not been previously acknowledged, receipt of these terms and conditions shall constitute the Acknowledgment.

1. All prices and delivery quotations made by Company are conditioned upon these Terms. No order shall be binding upon Company until received in writing and accepted by an authorized representative of Company through Company’s issuance of a written Acknowledgment. Any Contract(s) resulting from acceptance of any order(s) placed with Company may only be modified or rescinded by a written document, signed by the duly authorized representative of Company. Failure to specifically dissent to these terms and conditions within a reasonable time or Customer’s acceptance of any Products covered in the Acknowledgment shall constitute acceptance of these terms and conditions and they shall be controlling in every case.
2. Unless stated to the contrary in the Acknowledgement or in the invoice or packaging documents accompanying the Products, all Products will be shipped in accordance with the term of EXW OKI's warehouse (Incoterms 2020), and title in and risk of loss of such Products will pass to Customer upon the Company’s delivery to the carrier at the point of shipment.
3. Prices on the Products covered by the Acknowledgement are firm for thirty (30) days from the date of the Acknowledgement. Any Products that Customer requires to be shipped later than thirty (30) days from the date of the Acknowledgement are subject to price changes made after the date of the Acknowledgement to the date of shipment. Payment terms are cash on delivery, except where open account credit is established and maintained to the Company’s satisfaction, in which case payment terms shall be net thirty (30) days from date of shipment or otherwise stated in the Order Acknowledgment. Any late payments are subject to a finance charge of the lesser of 1.5% per month (18% per annum) or the maximum amount allowed by law. Unless otherwise specified or required by law, all prices will be quoted and billed exclusive of customs, duties or taxes, and Customer shall be responsible for all such applicable duties and taxes. When the Company is required by law or regulation to collect such taxes, the Company will add such taxes to the invoice.
4. Tooling, set-up, fitting up, drawings, design information and partial preparation charges, when invoiced, cover only part of the cost thereof to the Company. Customer does not acquire any right title or interest in any tooling, set-up, fitting up, drawings, design information or inventions resulting therefrom.

5. All quoted shipping dates are estimates only. The Company will not be responsible for delays or nonperformance directly, or indirectly caused by governmental regulations or requirements, natural disasters, acts of God, war, terrorist activities, unavailability of energy, materials or supplies, work stoppages, slowdowns, boycotts, and other causes beyond the Company's reasonable control, whether or not similar in nature to any cause specified above.

6. The Company's extensive line of products requires close coordination of Customer's requirements with the Company's production schedules to avoid possible delays in shipments. Accordingly, the Company reserves the right to ship in advance of the shipping date.

THE COMPANY MAKES NO WARRANTIES, EXPRESSED OR IMPLIED (INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, AND FITNESS FOR INTENDED PURPOSE) OR STATUTORY, OTHER THAN THE FOREGOING EXPRESS WARRANTY. THE FAILURE OF CUSTOMER TO SUBMIT A CLAIM WITHIN NINETY (90) DAYS (UNLESS OTHERWISE REFERENCED), AFTER RECEIPT OF SUCH PRODUCTS SHALL CONSTITUTE AN ADMISSION BY THE CUSTOMER AND CONCLUSIVE PROOF THAT THE PRODUCTS ARE IN EVERY RESPECT AS WARRANTED. SUCH FAILURE TO SUBMIT A CLAIM WITHIN NINETY (90) DAYS (UNLESS OTHERWISE REFERENCED), SHALL ALSO RELEASE THE COMPANY FROM ANY AND ALL CLAIMS FOR DAMAGES OR LOSS SUSTAINED BY THE CUSTOMER AND ANYONE ELSE CLAIMING THROUGH THE CUSTOMER.

If Customer submits a claim for breach of warranty within ninety (90) days (unless otherwise referenced) after the date of delivery of the Products to Customer, it is agreed and understood that Customer's sole and exclusive remedy shall be, at Company's sole discretion, the repair or replacement of the Products or a refund of the price of the defective Products.

It is further understood that the above-stated express warranty shall not apply if Customer in any way modifies, alters or misuses any Products. Misuse of Products shall include, but not be limited to, any exposure to temperature extremes, chemicals or solvents, use of Products beyond the recommended shelf life, use of Products beyond recommended torque specifications, or any other use inconsistent with usage recommendations provided with such Products or inconsistent with best industry practices.
